1. Overview

This Cancellation Policy applies to bookings that identify version 2026-10-12-v2, unless the booking confirmation states a different policy. Earlier bookings remain subject to the policy accepted when they were made.

2. Cancellation by the guest

Cancellation requests must be made in writing. Guests may choose between the cash-refund option and, where eligible, the voluntary booking-credit option.

Option 1 — Cash refund

Cancellation received before check-in	Cash refund
30 days or more	100% of the original booking amount, minus €15 administration fee
14–29 days	50% of the original booking amount, minus €15 administration fee
Fewer than 14 days	No cash refund
No-show	No cash refund

The €15 administration fee applies only when money is refunded. It will never exceed the amount otherwise refundable and is never charged separately. It does not apply when Drift & Dwells cancels for reasons within its control.

Option 2 — Booking credit

A guest who cancels at least 14 days before arrival may explicitly choose booking credit instead of a cash refund. The credit equals 100% of the original booking amount. No €15 administration fee applies. Credit may be used toward a future Drift & Dwells stay, subject to availability. This policy does not impose an expiry date. Booking credit is voluntary and will not be selected automatically. It is not automatically offered for a cancellation fewer than 14 days before arrival or for a no-show.

3. Date changes and modifications

Date changes are subject to availability. If we cannot accommodate a change, it will be treated as a cancellation and a new booking.

4. Cancellation by Drift & Dwells

We may cancel a booking for safety reasons, force majeure events, non-payment (if applicable), or serious rule violations. If we cancel before check-in for reasons within our control, we will refund paid accommodation amounts in full without an administration fee.

5. Weather and access

Mountain weather can affect access. Unless we explicitly confirm otherwise in writing, weather, road conditions, or personal travel disruption are not grounds for free cancellation.
